

## Curriculum vitae-Summary

### Hannington Ochieng

Busitema University, Faculty of Science and Education, Department of Biology,  
P. O. Box 236, Tororo.

Mobile: +256 782 745873  
Email: ochiengho@gmail.com

**Current position: Chief Technician** – Department of Biology, Faculty of Science and Education, Nagongera campus, Busitema University.

**Biodata:** Ugandan, male, born in Misukire village, Tororo District.

#### Education:

**2018 -2021: PhD** Environment and Natural Resources, Makerere University, Uganda.

**2004-2006: MSc** Environmental Science (Limnology and Wetland Ecosystems), UNESCO-IHE - Institute for Water Education, Delft, The Netherlands.

**1999-2002: BBLT** (Bachelor of Biomedical Laboratory Technology) (Hons), Makerere University, Uganda.

#### Major short trainings:

**2023 (September-December):** Digital pedagogy training, Busitema University, Uganda.

**2019 (January):** Advanced quantitative data analysis, Makerere University, Uganda.

**2009 (May):** Statistical Data Analysis using SPSS and STATA, Bergen Consult (U) Ltd, Jinja, Uganda.

**2006 (October):** ArcGIS 9.x and GPS applications, Regional Center for Mapping of Resources for Development, Nairobi, Kenya.

**2003 (August):** Multidisciplinary Course in Tropical Freshwater Ecosystems Management, Kenya Wild Life Training Institute, Naivasha, Kenya.

**2000 (September -November):** Computer training using Microsoft Windows 98 & Office 2000 (Word processing, Excel, Access & Power point), SCI's Progress Institute, Kampala.

**1998 (September):** Equipment Maintenance & Fabrication training course under SPALNA, University of Nigeria, Nsukka, Nigeria.

#### Professional appointments:

**2009 - To date:** Chief Technician - Busitema University, Faculty of Science and Education, Department of Biology, Nagongera campus, Tororo, Uganda.

**2008-2010:** Part-time Lecturer, Department of Environmental/Biological Science, Islamic University in Uganda (IUIU), Mbale, Uganda.

**1992-2009:** From Laboratory Assistant, through ranks, to Senior Laboratory Technician/Head of Water quality studies by 2009, at the present National Fisheries Resources Research Institute, Jinja.

#### Awards/Grants:

**2022-2023:** Busitema University Research and Innovation Fund (BURIF) - Principal investigator

**2021-2022:** National Geographic Society research collaboration grant- Principal Investigator.

**2019-2020:** Makerere University Research and Innovations Fund (MaRIF) - Co-Principal Investigator.

**2018:** National Geographic Society Early Career Grant - Principal Investigator, PhD thesis research.

**2005-2006:** UNESCO-IHE Fellowship Trust Fund (FTF) - Principal Investigator, MSc thesis research.

#### Key areas of Job and Scientific experience:

- **Managing laboratories for teaching and research:** Managing Biology laboratories for teaching and research at university level (15 years' experience), and Macro-invertebrate and Physico-chemical laboratories for freshwater ecosystems research (15 years' experience).
- **Lecturing, supervision of students on research,** and development of training course programs at university level.
- **Freshwater research,** especially conducting physico-chemical measurements, and use of macro-invertebrate and diatom indices/scores and mouthpart deformities in Chironomidae (Diptera) larvae for assessing and monitoring freshwater ecosystems quality.
- **Environmental and Social Impact Assessment (ESIA):** Ochieng participated and contributed

as Water quality/Bio-assessment specialist to various ESIA for developmental projects within Ugandan river and lake basins, e.g., the oil exploration project within the Albertine region; the proposed mini-Hydropower within Rivers Siti in Bukwo, Lhubiriha and Nyamgasani in Kasese, and others (From 2003 to date).

#### Organisation membership:

- Pioneer Coordinator-National Geographic Society Explorer Community-Uganda hub
- Reviewer-National Geographic Society Level I Grant proposals
- National Geographic Society Explorer - Freshwater Ecosystems Monitoring & Conservation.
- Member - Future Earth 17 Rooms-X (Research, Innovation, Sustainability).
- Collaborator – Wildlife Conservation Society, Uganda Country Program.
- Alliance for Freshwater Life.
- Reviewer - Tropical Ecology.
- Editorial Board Member - Aquatic Science and Technology.
- Aquahub – For Improving the healthiness of Eastern African Freshwater Ecosystems.
- Uganda Austrian Alumni Association.
- Eastern Africa Water Association (EAWA).
- Network of African Wetland Professionals.
- Virtual Alumni Community of the UNESCO-IHE.
- Soil and Plant Analytical Laboratories Network of Africa (SPALNA).

#### Publications:
